

# **FARM RULES**

by  
Beatrice Kotuk

Izzy and Miel love having adventures  
and exploring the farm

But on the farm  
there are a few rules  
that the dogs need to follow

Don't eat the eggs...

EGGS

or the chickens!

Don't scare the sheep!

Don't teach the goats  
how to go under the fence.

And most of all...

DON'T CHASE THE HORSES!

One day Mama  
saw them...

and she got very mad.

Mama stomped onto the field  
to find the furry troublemakers...

But Miel and  
Izzy were nowhere  
to be found!

They weren't scaring  
the sheep...

On the chickens...

The goats still couldn't  
get over the fence...

or was it under?

And the  
eggs were left  
untouched...

and the eggs were left untouched...

Mama was so worried!  
Izzy and Miel were still  
nowhere to be found!

It had been a long day for  
Mama so she walked into  
her room for a rest...

and there were her two dogs  
fast asleep!

and now...
